CFD FOIA REQUEST: 190630

Dear Mr. Chapman:

On behalf of the City of Chicago Department of Fire, I am responding to your Freedom of Information Act (FOIA) requests received in our offices on January 25, 2019. At this time, I am seeking an extension of 5 additional working days to respond to the requests for one or more of the following reasons identified in 5 ILCS 140/3(e) of FOIA:

- () the requested records are stored in whole or in part at other locations than the office having charge of the requested records;
- () the request requires the collection of a substantial number of specified records;
- () the request is couched in categorical terms and requires an extensive search for the records responsive to it;
- () the requested records have not been located in the course of routine search and additional efforts are being made to locate them;
- () the requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under Section 7 of the FOIA or should be revealed only with appropriate deletions;
- () the request for records cannot be complied with by the public body within the time limits prescribed by 5 ILCS 140/3(d) without unduly burdening or interfering with the operations of the public body;
- (X) there is need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request.

Sincerely,
Cynthia Linzy

Relevant text from similar request to the DoHR:

"Concerning your request for manager, direct reports, and email addresses, please note that each City department is a "public body" under Section 2 of FOIA, 5ILCS 140/2(a). See Duncan Publishing, Inc. v. City of Chicago, 304 Ill. App. 3d 778, 784, 709 N.E.2d 1281, 1286 (1st Dist. 1999) ("Clearly, each of the individual departments are subsidiary bodies of the City and are 'public bodies' as defined by the FOIA.") A FOIA request must be directed to the department that maintains the records you ~~are seeking~~. The Department of Human Resources does not have documents responsive to those portions of your request."

The records responsive to this request are invaluable for understanding the underlying structure of the City of Chicago and its internal operation. As a result, the public's interest for this information far outweighs any burden and associated costs.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Matt Chapman
